**Remarks**

The above referenced application was abandoned for failure to timely pay the Issue and Publication fees on or before April 7, 2005.

The Examiner reviewing the petition filed on September 28, 2007, has denied the petition stating the petition lacks "... a statement that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 C.F.R. 1.137(b) was unintentional..."

In support of the petition for unintentional abandonment, please find included with this submission a declaration from the inventor, Raja Tuli, outlining the delay in petition for reviving the application.

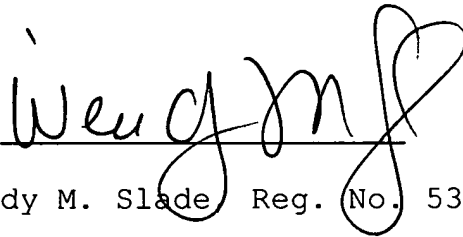

It is not believed any additional fees are due at this time. However, if this is found to be in error, any fees required for this petition may be charged to deposit account 04-1577 to Dowell & Dowell, P.C.

Should the Examiner have any questions with regard to this response, she is asked to contact the under signed agent-of-record.
